TO: All Indiana Public School Teachers

FROM: Continuing Education Committee of the Indiana Professional Standards Board

SUBJECT: Call for Applications for Teacher License Renewal Backmapping Pilot Project

The Indiana Professional Standards Board (IPSB) is seeking Indiana public school teachers to participate in a one-year pilot project. This pilot project will help the IPSB Continuing Education Committee (CEC) make recommendations to the Board about future rules and procedures for renewing an Indiana teacher's license. These new teacher license renewal rules and procedures will be part of the IPSB's redesigned performance standards-based educator preparation and licensing system.

“Backmapping” Activity Summary:

- * Experienced teachers will use a draft handbook and forms to work through how they would have developed a “Professional Growth Plan” and “License Renewal Report.”
- * This plan and report will be based on their experiences over the past three to five years.

Eligibility Requirements:

- * Licensed Indiana teacher under Rules 46-47.
- * At least three years teaching experience.
- * License expires on or before June 30, 2004.
- * Currently working as a teacher in an Indiana public school; OR intend to renew a currently active Indiana teacher's license while not working in a public school teaching position.

Participation Requirements:

- * Attend one regionally based orientation session in mid-late November 2001.
- * Submit all required pilot forms and reports in hard copy by July 1, 2001. Electronic submissions cannot be accepted.

Selection Process:

- * No specific limit on the number of teachers per school district which may apply. Participants will be randomly selected.
- * Random selection based on statewide representation of elementary, junior high/middle, and high school teachers.
- * Maximum of 600 teachers can be accepted for this pilot.
- * Eligible applicants who are not public school teachers may be randomly selected.
